## Introduction:

I am making graphic designing using canva my topic is PERSONALIZED INVITATION USING in canva. It was knewly for me, because I use canva app first time. It was knewly experienced. Surely it used for students like me.
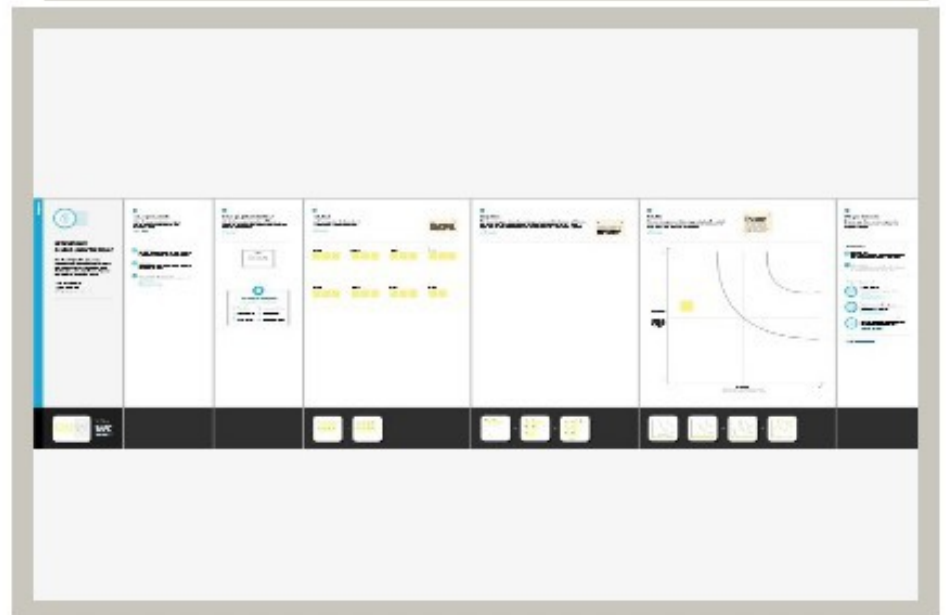

## Purpose of making:

- Way of teaching and learning
- My topic is "Personalized invitations using"

## Empathy map:

## Brain storm:-

## Result:-

Its way of learing
In Naan Mudhalvan project they give "Personalized invitations using canva"
It customises many templates change font, colour, word, extra. Anything we wish

## Advantage of Canva:

## Result:-

Its way of learing

In Naan Mudhalvan project they give "Personalized invitations using canva"

It customises many templates change font, colour, word, extra. Anything we wish

## Advantage of Canva:

- Anyone can be a designer using canva
- Canva is very simple to use and user friendly

## Disadvantage of Canva:

- Limitation of number of templates
- Export settings are limited

## Conclusion:

The Naan Mudhalvan I learn many more process in graphic designing. I customize templates on Personalized Canva sites.
